

September 14, 2023

Dear City of Hardin Customer:

Hall's Waste Management LLC looks forward to providing you with garbage services starting the first of October!

We will be servicing your area on Monday's and request that you please have your garbage out the night before (Sunday night) to ensure that you have it out for Monday morning pickup.

All waste must be contained inside the provided container with the lid completely closed. Nothing sitting outside of the can will be picked up. Below is a list of permitted and prohibited items for pickup.

Permitted Items:

- General house items
- Grass clippings or small yard debris
- Small countertop appliances: i.e.: can opener, toaster
- Electronics

Prohibited Items:

- Hazardous chemicals
- Batteries
- No free liquids (Paint, chemicals, motor oil etc.)
- Propane tanks
- Air conditioners, refrigerators, and/or freezers
- Tires
- Construction debris (bricks, concrete, large pieces of lumber)
- Dirt/gravel
- NO burnt material of any kind

Please note that if you have any prohibited items in your garbage then it will not be picked up until those items are removed.

You can find us on Facebook and on our website ([www.hallswm.com](http://www.hallswm.com)) for additional information.

We look forward to October!

Regards,

*Michelle Hall*
